

COMMITMENT TO CHILD SAFETY DECLARATION

Story Studios Australia is committed to the safety and well-being of all young writers and our community. All staff and mentors uphold the values of the business and adhere to a detailed code of conduct, policies, and procedures designed to provide a safe and supportive environment for everyone. Staff and mentors act as professional role models in their interactions with young writers.

Story Studios Australia is dedicated to providing a safe, inclusive, and supportive environment both in person and online; fostering a culture of openness and respect; and promoting the safety, dignity, participation, and empowerment of all children. In particular, we acknowledge and support Aboriginal and Torres Strait Islander children, children with disabilities, and children from culturally and linguistically diverse backgrounds.

Story Studios Australia has zero tolerance for child abuse and any other forms of harm.
